

We Are Hiring!!!

The Keystone Valley Fire Department (KVFD) is seeking individuals interested in part-time and per-diem employment for the following position: **Emergency Medical Technician**

KVFD is looking for additional staffing as we continue to expand our services and are placing a second ambulance into service during our “peak hours” to meet the needs of the communities we serve.

Scheduling is flexible and we accommodate as needed. Shifts normally run: 6am-6pm, 6pm-6am, and 8am-8pm.

Requirements:

- High school diploma or GED
- Current certification as a PA DOH EMT
- Current BLS Provider CPR
- Current Bloodborne Pathogens
- One (1) year 9-1-1 EMS experience
- Current HazMat training
- Possession and maintenance of a valid PA motor vehicle operators license and acceptable driving record of at least five (5) years prior to beginning employment
- Up to date clearances: PSP background check – PA ChildLine background check
- Successful completion of an EVOC course with EMSVO credential

Interested individuals should submit a current resume with three (3) professional references, copies of all certifications listed above, along with IS-100, IS-200, IS-700 and IS-800 course completion certificates to:

Via E-Mail to Joe Miles, EMS Manager: EMSSupervisor@kvfd8.com

Or send by U.S. Mail to:
